

# Central Bark Spring Training

Our spring schedule covers popularly requested training topics as well as foundational tricks and games. The Manners series includes three-week courses to fit your schedule. Courses are three consecutive hour-long weekly classes.

## **Basic Manners: Sit & Down Stay, Come, Leash Walking**

This three-week class covers the essential basic manners skills: having your dog come all the way back to you and allow you to leash them when called, a solid sit and down stay until released, and casual leash walking without pulling or lunging on leash. No prior training experience is required.

**7pm Mondays – April 2<sup>nd</sup> to April 16<sup>th</sup>**

**Cost is \$65 – enrollment is required prior to the day of class**

## **Out & About Manners: Attention Walking, Polite Greetings, Distracted Recalls**

This three-week class goes a step beyond basic manners to engage your dog in more distracting environments. This class covers polite greetings on and off leash with people and other dogs, passing distractions uneventfully when out for a walk, and a stronger recall (coming when called) around or away from distractions. As this class deals with distracting environments, some foundational training experience is recommended.

**7pm Mondays – April 23<sup>rd</sup> to May 7<sup>th</sup>**

**Cost is \$65 – enrollment is required prior to the day of class**

## **Obedience Tricks & Games**

So I will let you in on a little secret, there is no real difference between tricks and obedience. This three-week class showcases that by building responsiveness and reliability using tricks and games. This series is ideal for teams that like to think outside the box and work with some bigger concepts than just obedience behaviors alone allow.

**7pm Mondays – May 14<sup>th</sup> to June 4<sup>th</sup> (skipping May 28<sup>th</sup> Memorial Day)**

**Cost is \$70 – enrollment is required prior to the day of class**
